

Creation

You think you're OK
you think you're in control
But do you know
where you would go
if you would die tomorrow?

Why do you live?
For what purpose do you give?
This cannot be
all that you see
there must be more than this

Chorus 1:

God made it all
He made you and me
through His breath came Life
- everything you see
If you believe
that all you see on earth
came from nothing at all
just look at the detail of something small
Then you know there must be more

God knew your name - **Jer 1:5**
before you were even born
He had a plan
for your life
when you were still in the womb
Nothing is by chance
There's no such thing as coincidence

But God made you free
To believe
And to choose what you want to be

Chorus:

God knows it all
He knows you and me
He knows your thoughts
everything you feel
If you believe
That you are in control
There's a war going on
Inside the center of you soul
Then you know there must be more

Coda:

- than the eye can see
more you understand and feel
Higher than above and below
all that you have to know is

Chorus 2:

God made it all
he made you and me
through His breath came Life
- everything you see
If you believe
that evolution's true
There is no real proof
Just look at the wonder of me and you
then you know it must be true
that God made me and you
Adam and Eve in the Garden they lived
With God in a perfect relation

Satan was jealous and chose to tempt Eve
She also gave Adam to eat
Immediately, their nakedness they could see
And from God they were hiding thee
Adam blamed Eve and the snake did deceive
Judgement awaited all three

**Gal 5:19-21 "selfishness, rebellion,
unrighteousness, iniquity, impurity, unlawfulness"**

Chorus 1: Rom 5:12

Sin, Sin, was brought into this world
It brought destruction
It brought shame and
Death into this world - **1 Cor 15:21**
Sin, Sin, through disobedience
It brought a distance in an instance
Between man and God

Coda1: Luke 24:7

But God knew it all
He knew that man would fall
When Satan made his call
God knew it all - **1 Cor 15:22**
And He had a plan
To save Adam, the man

Jesus, the Son of God, born as a man
Perfect and sinless of a virgin
He took the sin of the world on His cross
And paid the price for us

Chorus 2:

Sin, Sin, Jesus became sin
He broke the chains of Everlasting
Death forever more
Sin, Sin, Jesus took our sin
He had to suffer, He had to die
On the third day He rose again

Coda 2:

God knew it all
That Jesus was the plan
To save man
God knew it all
That Jesus had to die
To repay the sin of man

Chorus 3:

Sin, sin if you confess your sin
And give your heart to
Jesus, you'll
Live forever again
Sin, Sin, Jesus took your sin
It is forgiven
if you receive Him
Into your life and begin.....
To live for Him.....
Jesus.....
